PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors (“Board”) of Elmira Savings Bank (“Bank”) for use at the annual meeting of its shareholders (“Annual Meeting”) to be held on Tuesday, April 22, 2014 at 10:00 a.m. at The Clemens Center located at 207 Clemens Center Parkway, Elmira, New York 14901, and at any adjournment thereof. This proxy statement, together with the enclosed proxy card, is being mailed to shareholders on or about March 21, 2014. The Bank’s 2013 Annual Report and Form 10-K are enclosed.

The Proxy

Shareholders giving proxies may revoke them at any time before they are voted by notifying Thomas M. Carr, President and Chief Operating Officer, in writing of such revocation, by providing a duly executed proxy bearing a later date, or by voting in person at the meeting. If a proxy is properly signed by a shareholder and is not revoked, it will be voted at the Annual Meeting in the manner specified on the proxy, **or, if no manner is specified, it will be voted “FOR” the election of the directors nominated by the Board and “FOR” the appointment of S.R. Snodgrass, P.C. as the Bank’s independent auditor for 2014.**

The Bank will bear the costs of the Board’s solicitation of proxies. Following the mailing of proxy soliciting materials, officers and other personnel of the Bank may solicit proxies by mail, telephone, fax, e-mail, and personal interview. The Bank has retained Regan & Associates, Inc., a professional proxy solicitation firm, to assist in the solicitation. Regan & Associates, Inc. will receive a fee of \$6,000 for its services, plus reimbursement of its reasonable out-of-pocket expenses. The Bank requests that record holders of shares beneficially owned by others forward this proxy statement and other proxy soliciting materials to the beneficial owners of such shares and agrees to reimburse such record holders for the reasonable expenses they incur in doing so.

Voting Securities

As of March 13, 2014, the Bank had issued and outstanding 2,682,086 shares of common stock, par value \$1.00 per share, which are its only securities entitled to vote at the Annual Meeting. The election of directors will require the affirmative vote of a plurality of the shares of common stock voting in person or by proxy at the Annual Meeting, and the ratification of the appointment of S.R. Snodgrass, P.C. as the Bank’s independent auditor for 2014 will require the affirmative vote of a majority of the outstanding shares of common stock voting in person or by proxy at the Annual Meeting. Holders of common stock are entitled to one vote for each share held. The Board of Directors has fixed March 13, 2014 as the record date for determination of shareholders entitled to notice of, and to vote at, the Annual Meeting.

Security Ownership of Directors and Named Executive Officers

The following table details certain information concerning the beneficial ownership of the Bank's voting securities by its principal executive officer and its two most highly compensated executive officers other than its principal executive officer in 2013 (collectively "named executive officers") and by its directors. Generally, a share is deemed beneficially owned by a person if that person has sole or shared power to vote or dispose of such share. Shares, the beneficial ownership of which may be acquired within sixty days via the exercise of a vested stock option, are deemed beneficially owned by the owner of the stock option. Shares of restricted stock are deemed beneficially owned by the holder of such shares, irrespective of whether such shares are vested.

* Indicates percentage ownership of less than 1%.

¹ Amounts reported in this column include shares held by named executive officers in the Bank's Employee Stock Ownership and Savings Plan as of February 14, 2014.

² Percentage ownership of each director and named executive officer is calculated for each person as if those shares which could be acquired via the exercise of stock options were issued and outstanding, meaning that such percentages do not reflect a percentage of the shares of the Bank's common stock actually issued and outstanding.

All directors and named executive officers, as a group, beneficially own 488,872 shares or 17.60% of the Bank's common stock. This includes an aggregate of 40,482 shares allocated to the account of the named executive officers participating in the employee stock ownership plan ("ESOP") component of Bank's Employee Stock Ownership and Savings Plan, a tax-qualified retirement plan sponsored for the benefit of the Bank's employees ("Plan"), and 58,341 shares allocated to the accounts of named executive officers who are participating the 401(k) plan component of such Plan.

The ESOP component of the Plan holds an aggregate of 202,930 shares of the Bank's common stock, representing approximately 7.56% of the outstanding shares. The 401(k) portion of the Plan holds an aggregate of 77,419 shares of the Bank's common stock, representing approximately 2.89% of the outstanding shares. Under the terms of the Plan, shares of common stock allocated to the accounts of employees are voted in accordance with instructions given by such employees to the trustees. Unallocated shares are voted by the trustees in the same proportion as allocated shares are voted per participant instructions. Mr. Carr is a trustee of the trust in which Plan assets are held, but because he lacks discretion to vote or dispose of shares held in such trust, the shares held in the Plan have not been included in his share ownership totals above.

No change in control of the Bank has occurred since the beginning of the Bank's last fiscal year.

Broker Non-Votes

On July 1, 2009, the Securities and Exchange Commission approved an amendment to New York Stock Exchange Rule 452 which, effective for shareholder meetings held on or after January 1, 2010, prohibits certain brokers, dealers, trustees, or other nominees from voting the shares of stock held for another on certain matters without voting instructions from the beneficial owner of such shares. Section 957 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 amended section 6(b) of the Securities Exchange Act of 1934 to make adoption of similar rules a precondition for registration as a national securities exchange, in response to which, the NASDAQ Stock Market adopted amendments to Rule 2251 prohibiting members of NASDAQ that are not the beneficial owners of a security registered under Section 12 of the Exchange Act from granting a proxy to vote the security with respect to the election of directors of an issuer, executive compensation, or "any other significant matter" as determined by the SEC, without voting instructions from the beneficial owner of such security.

"Broker non-votes" occur with respect to a matter when a broker, dealer, trustee, or nominee is prevented from voting on a matter without instructions from the beneficial owner of the relevant shares, and such voting instructions are not given. In tabulating the voting results for any particular proposal, shares that are considered broker non-votes will not be considered entitled to vote on such proposal. Thus, broker non-votes will not affect the outcome of any matter being voted on at the meeting, assuming that a quorum is obtained.

Of the items of business specifically identified in this proxy statement, the votes for the election of directors will be subject to the broker non-vote rule.

Copies of Annual Report and Financial Information

The Bank shall provide, without charge, to each person solicited hereby, upon written request to Thomas M. Carr, President & COO, a copy of the Bank's annual report on Form 10-K for the Bank's 2013 fiscal year, including the financial statements and financial statement schedules required to be filed with the Federal Reserve Board pursuant to Rule 13a-1 under the Securities Exchange Act of 1934 and relevant Federal Reserve Board regulations. Written requests for copies of the annual report and accompanying financial statements should be directed to Mr. Carr at 333 East Water Street, Elmira, New York 14901.

CORPORATE GOVERNANCE

Governance of the Bank

The Bank's business, property, and affairs are managed under the direction of the Board in accordance with federal law applicable to state-chartered savings banks that are members of the Federal Reserve System and relevant provisions of the Banking Law of the State of New York ("Banking law"). The Bank's principal state regulator is the Department of Financial Services of the State of New York, and its principal federal regulator is the Board of Governors of the Federal Reserve System. Although the Bank is not regulated by the Securities and Exchange Commission ("SEC"), the Federal Reserve Board adopts in large measure the rules and regulations of the SEC promulgated under the Securities and Exchange Act of 1934, and the Bank is governed accordingly. Members of the Board are kept informed of the Bank's business through interaction with the Chairman of the Board, the CEO, the President, and key officers, by reviewing materials furnished by the Bank and its officers, and by participation in meetings of the Board and its committees. All of the members of the Board except for Mr. Hosey, Mr. Carr, and Mr. Alexander are "independent directors" within the meaning of Listing Rule 5605(a)(2) of the NASDAQ Stock Market.

The Board has adopted a Corporate Governance Committee charter and a bank-wide Code of Business Conduct for all employees. All Board members and executive officers have subscribed to the Bank's Directors and Executive Officers Code of Business Conduct. The Chief Financial Officer has subscribed to a Chief Financial Officer Code of Conduct. The purpose of these various codes of business conduct is to establish guidelines of ethical behavior throughout the Bank. The Bank continues to review its policies and practices against policies and practices suggested by various groups or authorities active in corporate governance, such as the Commission on Public Trust and Private Enterprise and The Business Roundtable.

Board and Committee Structure

The Bank's Board of Directors consists of twelve members and has the following five standing committees: (1) Executive, (2) Audit, (3) Corporate Governance, (4) Compensation, and (5) Loan. The current membership of and purpose of each committee is set forth below. The Chairman of the Board serves as an *ex officio* member of all standing committees. The Audit, Corporate Governance, and Compensation Committees each operate under a written charter adopted by the Board.

Mr. Brand serves as the Chairman of the Board. The Chairman organizes Board activities to enable the Board to provide effective guidance to and oversight of the Bank's management. In order to accomplish this, the Chairman, among other things: creates and maintains effective working relationships with the Bank's Chief Executive Officer and other members of the Bank's management team and with the other members of the Board; provides the Bank's Chief Executive Officer with ongoing direction as to Board needs, interests, and opinions; and ensures that the Board agenda is appropriately focused on matters of greatest import to the Bank. In carrying out his responsibilities, the Chairman preserves the distinction between management and oversight.

Though not formally required by any Board policy, the Board believes that the service of an independent director, such as Mr. Brand, as Chairman of the Board is appropriate at this time given the current functioning of the Board and mix of Board members.

In 2013, the Board of Directors held twelve meetings of the full Board. All Board members attended at least 75% of all Board meetings and 75% of the meetings of the committees on which they served.

Executive Committee

The Executive Committee of the Board meets as called to review the Bank's operations and policies. Any action required to be taken between regular Board meetings may be taken by this committee. Directors Brand, Alexander, Cooper, and Welliver are current members of the Executive Committee. The committee held no meetings in 2013.

Loan Committee

The Loan Committee meets monthly to review loans granted by the Bank's lending officers and to approve loans that exceed predetermined limits. All members of the Board serve as members of the Loan Committee. All loan officers, the Chief Executive Officer, Chief Operating Officer, and the Chief Financial Officer of the Bank serve as ex officio members. Those officers who are not also members of the Board serve on this committee only in a non-voting capacity. The committee held twelve meetings in 2013.

Corporate Governance Committee

Not less than three independent directors, including the Chairman of the Board and the chair of the Audit Committee comprise the Corporate Governance Committee. The committee acts as the Board's nominating committee, selecting nominees for appointment and election as directors. The Corporate Governance Committee also reviews and recommends for Board approval corporate governance policies and guidelines, leads the Board in annual reviews of its own performance, and recommends candidates for membership in the Board's various standing committees. The Corporate Governance Committee is additionally responsible for reviewing and recommending the overall compensation program for directors for the Board's approval. A copy of the Corporate Governance Committee's charter may be found on the Bank's website at <http://www.elmirasavingsbank.com>. The committee held three meetings in 2013. Directors Brand, Cooper, and Quick are members of the committee, all of whom are independent.

Compensation Committee

The purpose of the Compensation Committee is to discharge the Board's responsibilities relating to the compensation of executive officers, and to administer the Bank's equity compensation and deferred compensation plans. The Compensation Committee has overall responsibility for evaluating and making recommendations to the Board with respect to all components of the compensation paid to executive officers, including base salary, annual incentive bonuses, long-term incentives, and all compensation agreements, plans, policies, and programs, including employment agreements, change-of-control agreements and provisions, and any other material compensation arrangements. The Compensation Committee also reviews and provides input with respect to the executive and leadership development policies, plans, and practices developed by management that support the Bank's ability to develop and retain the superior executive and leadership talent required to effectively implement our short and long-term business strategies.

In accordance with its charter (a copy of which is attached hereto as Exhibit A and incorporated herein by reference), the Compensation Committee is appointed by and serves at the discretion of the Board on the recommendation of the Corporate Governance Committee. The Compensation Committee consists of no fewer than three members. None of the members of the Compensation Committee in 2013 was at any time an employee or officer of the Bank or a former officer of the Bank. All members of the Compensation Committee must meet the independence requirements of the listing standards of the NASDAQ Stock Market and the nonemployee director definition of Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934, and at least two members of the Committee must meet the outside director definition of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

In carrying out its duties, the Compensation Committee has the authority to retain and terminate compensation consultants. No such consultants were retained in 2013.

The Bank's executive officers play no role in determining the form or amount of compensation paid to the Bank's directors and only a limited role in determining the form and amount of executive compensation. Mr. Hosey and Mr. Carr compile and supply to the Compensation Committee executive compensation profiles and comparables for all executive officers, including themselves, which information is used by the Compensation Committee in evaluating the nature and extent of compensation paid to the Bank's executive officers. Mr. Hosey further makes compensation recommendations to the Compensation Committee for all of the Bank's executive officers except for himself. Neither Mr. Hosey nor Mr. Carr participates in discussions, deliberations, or decisions regarding his own compensation or any action of the Compensation Committee or the Board affecting him personally. No other executive officers attend Compensation Committee meetings or participate in reviewing or recommending executive compensation.

The Compensation Committee meets at scheduled times during the year and at other times as necessary. Additionally, the Compensation Committee considers and takes action by written consent.

Directors Brand, Roehlke, Swain, and Welliver are members of the committee, all of whom are independent. The committee held two meetings in 2013.

Audit Committee

The Audit Committee operates under a written charter and reviews the records and affairs of the Bank to determine its financial condition, reviews with management, internal auditors, and independent auditors, the systems of internal control, reviews the reports of the Bank's auditors, and reviews adherence in accounting and financial reporting to generally accepted accounting principles.

A copy of the Audit Committee's charter may be found on the Bank's website at <http://www.elmirasavingsbank.com>.

The Audit Committee consists of Directors Brand, Quick, van den Blink, Cooper, and Young, all of whom are independent within the meaning of NASDAQ Stock Market Rule 5605. The Board has determined that Mr. Quick qualifies as an "audit committee financial expert" within the meaning of Regulation S-K and as a "financial expert" meeting the requirements of NASDAQ Stock Market Rule 5605(c)(2)(A).

The Audit Committee held four meetings in 2013.

Annual Meeting Attendance

The Bank encourages all members of its Board of Directors to attend the Annual Shareholders Meeting, but it has not adopted a formal policy requiring such attendance. All members of the Board attended the 2013 annual meeting of the Bank's shareholders.

Nomination of Director Candidates

Director Qualifications

The Corporate Governance Committee has not established specific minimum age, education, years of business experience, or specific types of skills for potential candidates, but, in general, expects qualified candidates will have ample experience and a proven record of business success and leadership. The Board of Directors has developed a group of criteria designed to describe what qualities and characteristics are desired for the Board as a whole ("Qualities"). No single director is expected to have each Quality. The Qualities are reviewed annually by the full Board to ensure they remain pertinent. In general, the Qualities require that each director will have the highest personal and professional ethics, integrity, and values; will consistently exercise sound and objective business judgment; and will enhance the diversity of the Board.

In addition to the criteria in the bylaws, it is anticipated that the Board as a whole will have individuals with significant appropriate leadership experience, a comfort with technology, a long-term and strategic perspective, and the ability to advance constructive debate. It is important for the members of the Board to have good chemistry so that the Board is capable of working smoothly and efficiently in performing its functions.

Applicable provisions of the Banking Law and the Bank's bylaws require that all directors be at least 18 years old and not older than 72 years (except for the Chairman of the Board who may serve until age 78), that at least one-half of the directors be citizens of the United States, and that no more than one-third of the members of the Board be active officers or employees of the Bank.

Identifying Director Candidates

Except where a nominee is substituted as a result of the death or incapacity of a management nominee, the Corporate Governance Committee is required to submit nominations to the Secretary of the Bank at least twenty days prior to the date of the Annual Meeting. Shareholders may nominate persons for election to the Board of Directors by submitting written nominations to the Secretary of the Bank at least five days prior to the Annual Meeting. If such nominations are made, ballots will be provided for use by shareholders at the Annual Meeting bearing the name of such nominee or nominees.

Similarly, if at any time the Corporate Governance Committee or the Board determines there may be a need to add or replace a director, the Committee's chairman develops a director profile by comparing the current state of the Qualities with the desired state. If no candidates are apparent from any source, the Committee will determine the appropriate method to conduct a search.

Irrespective of how a candidate may be brought to the Corporate Governance Committee's attention, at the appropriate time, qualified candidates may be asked to conduct one or more personal interviews with appropriate members of the Board. Chosen candidates are extended an invitation to join the Board, and if they accept, are formally nominated.

Shareholder Nomination of Director Candidates

The Corporate Governance Committee will accept for consideration stockholders' nominations of individuals who meet the criteria set forth in the Bank's bylaws for election as Directors if made in writing. A nominee's written consent to nomination and sufficient background information on the candidate must be included to enable the Committee to make proper assessments as to his or her qualifications. Nominations must be addressed to the Secretary of the Bank at the Bank's main office and must be received no later than December 1, 2014 in order to be included in the proxy statement for the next annual meeting of the shareholders. The Corporate Governance Committee may also make its own search for potential candidates that may include candidates identified directly by a variety of means as deemed appropriate by the Committee.

Upon receipt of a shareholder's proposed candidate, the chairman of the Governance Committee assesses the Board's needs, primarily whether or not there is a current or pending vacancy or a possible need to fulfill by adding or replacing a director, and then develops a director profile by comparing the current state of the Qualities with the desired state and the candidate's qualifications. The profile and the candidate's materials are forwarded to all committee members and consideration of the candidate is added as an agenda item for the next Corporate Governance Committee meeting.

Shareholder Communication with Board of Directors

Shareholders may communicate with the Bank's Directors in writing at Elmira Savings Bank, 333 East Water Street, Elmira, New York 14901. All shareholder communications sent to this address are forwarded to Board members. Shareholders may obtain copies of the Bank's charters for the Audit, Compensation, and Corporate Governance Committees, the bylaws, and the Bank's Code of Ethical Conduct, by writing to the Secretary of the Bank at the address set forth above.

Shareholder Proposals

Any shareholder proposals intended to be presented for consideration at the 2015 annual meeting and to be included in the Bank's proxy statement for that meeting must have been received by the Bank at its principal offices at 333 East Water Street, Elmira, New York 14901 no later than December 1, 2014. This date is also the deadline for submitting shareholder director nominees for inclusion in the Bank's proxy materials for the 2015 annual meeting.

If a shareholder intends to present a proposal for action at the 2015 annual meeting, the shareholder must provide the Secretary of the Bank with written notice thereof not less than five days prior to the meeting. If notice of such a proposal is given less than five days prior to the 2015 Annual Meeting, it shall be deferred for action at a subsequent adjourned, annual, or special meeting of the shareholders.

Transactions with Related Persons, Promoters, and Control Persons

Mr. Alexander is a partner in the law firm of Sayles & Evans, which rendered services to the Bank during 2013. In 2013, the Bank paid a total of \$336,397 to Sayles & Evans in legal fees. The fees paid to Sayles & Evans were reviewed by the full Board during a session at which Mr. Alexander was not present. The Board determined, in a session not attended by Mr. Alexander, that the charges for such services were fair and reasonable to the Bank.

DIRECTOR COMPENSATION

Directors who are also employees of the Bank do not receive any separate compensation for their service on the Board or on any committee of the Board. Non-employee directors receive a combination of directors' fees and equity compensation for their Board-related activities.

Total compensation paid to all non-employee directors in 2013 was \$411,890.

The following table provides information regarding compensation that was paid to the individuals who served as non-employee directors of the corporation during the year ended December 31, 2013. Except as set forth in the table, directors did not earn or receive compensation in any form during such year.

These grants were made under the Bank's 2009 Non-Employee Directors' Equity Compensation Plan. The options were fully vested when granted and are exercisable during a ten-year period commencing May 1, 2013 and ending May 1, 2023. Each director was also awarded 500 shares of restricted stock under the same plan, which shares shall vest in equal installments over the three years following the grant of such shares.

Employment Contracts

None of the executive officers of the Bank are employed pursuant to written employment agreements, although certain aspects of each executive officer's compensation are governed by written plans and change in control agreements. All executive officers are at-will employees of the Bank.

Executive Officer Base Salaries

For 2013, the Compensation Committee considered the base salaries paid to chief executive officers and chief operating officers, and senior mortgage loan officers at peer institutions in the course of its review of the compensation of the Bank's executive officers.

Non-Equity Incentive Plan Compensation

Each of the named executive officers was eligible for an annual bonus under the Bank's Bank-Wide Incentive Plan and the Management Committee Incentive Plan. The Bank-Wide Incentive Plan is an incentive plan in which management and non-management employees participate, based on targets set for fiscal year 2012. The Management Committee Incentive Plan is a plan sponsored by the Bank for selected management-level employees pursuant to which participants become eligible for incentive compensation based on certain return on equity, return on assets, and efficiency targets established by the Board. Under these plans, Mr. Hosey, Mr. Carr, and Mr. Berkley each were eligible to receive in total, eighteen percent of their eligible earnings. Mr. Hosey received \$56,487, Mr. Carr received \$33,585, and Mr. Berkley received \$26,983 in fiscal year 2013.

Equity Compensation

On February 6, 2013, each named executive officer received grants of stock options and restricted stock under the Bank's 2009 Incentive Compensation Plan. Mr. Hosey received a grant of options to purchase 12,243 shares of common stock and 695 restricted shares, Mr. Carr received a grant of options to purchase 5,662 shares and 413 restricted shares, and Mr. Berkley received a grant of options to purchase 2,924 shares and 299 restricted shares. All options awarded had a grant date exercise price of \$23.12 per share and vest over a three-year period with 25% vesting on the first anniversary of the grant date, 25% on the second anniversary, and 50% on the third anniversary. All restricted shares granted vest in even increments over a three-year vesting period.

Nonqualified Deferred Compensation

Mr. Hosey and Mr. Carr participate in the Bank's Deferred Compensation Plan, a nonqualified deferred compensation plan sponsored by the Bank for select executive officers. Under the Deferred Compensation Plan, participants may defer receipt of up to 100% of their regular salaries in any given year. All participants are offered several investment options in which they may, at their election, direct the Bank to invest the balance of their deferred compensation accounts. Earnings are credited to each participant's account in accordance with the rate of return on the participant's selected investment options. Distributions may be made from the Deferred Compensation Plan upon a participant's death, disability, or termination of employment. All expenses and taxes attributable to investment funds in which plan deferrals may be invested are paid by the Bank.

Other Compensation

Messrs. Hosey, Carr and Berkley were each provided with use of a Bank-owned car. The Bank paid for membership of all three named executive officers in the Elmira Country Club and the Elmira City Club. The membership dues and assessments of the clubs, along with the lease value of the automobile, prorated between the Bank and each executive officer based on personal and business usage, have been included in the "All Other Income" column of the Summary Compensation Table.

The Bank sponsors the Employee Stock Ownership and Savings Plan, which is a combined 401(k) and employee stock ownership plan for the Bank's full-time employees. The 401(k) portion of the plan allows participants to make voluntary elective contributions by salary deferral and provides for matching contributions equal to 50% of an employee's contributions up to 6% of their annual compensation, subject to other limits set by applicable Federal law and regulations. Under the ESOP portion of the plan, the Bank contributes an amount equal to 6% of each qualifying participant's plan year compensation to his or her account under the Plan. All ESOP contributions are invested in the Bank's common stock, except to the extent that Federal law may require the Bank to permit participants to diversify the investment of their plan account balances. Combined 401(k) and ESOP contributions made by the Bank in 2013 were as follows: Mr. Hosey received \$24,387, Mr. Carr received \$21,971, and Mr. Berkley received \$12,855.

Change in Control Agreements

Mr. Hosey has a Change of Control Agreement with the Bank (which agreement is not part of a written employment agreement) dated January 2, 2003. A "change of control" is defined in the Agreement to include the following: The acquisition by a person of twenty-five percent (25%) or more of the voting stock of the Bank; the incumbent Board members as of January 2, 2003, (and subsequent directors approved by them) cease to constitute a majority of the Board; or any change which would have to be reported in response to Item 6(e) of Schedule 14A of Regulation 14A of the Securities Exchange Act of 1934.

If during the term of his change of control agreement and following the occurrence of a specified change of control event, Mr. Hosey's employment with the Bank is terminated by the Bank other than for cause (as defined in the agreement) or retirement, or is terminated by Mr. Hosey for good reason (which, as defined,

includes a reduction in Mr. Hosey's pay, certain relocations of Mr. Hosey's office or a material reduction in responsibility, position, authority or duty), then (a) the Bank will pay to Mr. Hosey as severance an amount equal to two and ninety-nine hundredths (2.99) times Mr. Hosey's pay (defined as Mr. Hosey's base annual salary plus the average bonus in each of the two (2) preceding years); (b) the Bank will maintain in effect for three (3) years after the date of termination, for Mr. Hosey and his dependents, all welfare benefit plans in which Mr. Hosey was entitled to participate immediately prior to termination; and (c) the Bank will pay to Mr. Hosey, in a single lump sum, an amount equal to the current plus three (3) additional years of retirement benefits that would be payable under retirement plans described above. If the amount payable to Mr. Hosey under his Agreement exceeds certain threshold amounts, federal excise tax could be imposed on Mr. Hosey and the Bank could lose a tax deduction for a portion of the payment. If the amount payable would result in such effects, the amount payable will be reduced by the amount the payment exceeds the threshold.

Four other officers of the Bank, including Mr. Carr and Mr. Berkley, have change of control agreements similar to that of Mr. Hosey, except that (a) the severance payments under such plans is in an amount equal to one and ninety-nine hundredths (1.99) times each officer's pay, (b) welfare benefits are continued for two (2) years following the date of termination, and(c) the lump sum payment in lieu of retirement contributions is equal to the retirement benefits that would be payable under the retirement plans mentioned above for the year of termination and the two (2) immediately succeeding years.

All benefits afforded under any change in control agreement are limited to the extent required to prevent any such benefit from constituting an "excess parachute payment" within the meaning of Section 280G of the Internal Revenue Code.

CERTAIN TRANSACTIONS BETWEEN MANAGEMENT AND THE BANK

The Bank, like many financial institutions, offers mortgage and consumer loans to its directors, officers, and employees. A loan may be made by the Bank to a director or executive officer or a business affiliate or family member of a director or executive officer only if the loan (a) is made in the ordinary course of business of the Bank, is of a type that is generally made available to other customers, and is on terms that are no more favorable than those offered to other customers; and (b) complies with applicable law, including Regulation O of the Board of Governors of the Federal Reserve System and relevant requirements under the Banking Law. In 2013, all loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons not related to the Bank, and did not involve more than the normal risk of collectability or present other unfavorable factors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Federal securities law requires the Bank's executive officers and directors and persons who beneficially own more than ten percent of the Bank's issued and outstanding common stock, to file reports of beneficial ownership and changes in beneficial ownership in accordance with Section 16(a) of the Securities Exchange Act of 1934. Based solely upon its review of Forms 3, 4, and 5, the Bank believes that during 2013, all Section 16(a) filing requirements applicable to its executive officers, Directors, and greater than ten percent shareholders were met with timely filings to the Board of Governors of the Federal Reserve System, except as follows:

- A Form 4 reporting the acquisition of 100 shares via the exercise of options and the immediate sale of such shares on August 5 was filed by Mr. Berkley on August 8. The late-reported transactions resulted in a net decrease of 100 stock options and no net increase or decrease in Mr. Berkley's share ownership.
- A Form 4 reporting the acquisition of 1 share via the exercise of options and the immediate sale of such share on August 9 was filed by Mr. Berkley on August 14. The late-reported transactions resulted in a net decrease of 1 stock option and no net increase or decrease in Mr. Berkley's share ownership.
- Three transactions occurring on August 23, August 30, and September 4 involving the acquisition of a total of 500 shares of stock by Mr. Quick was reported on a Form 5 filed February 10, 2014.
- A Form 4 reporting the acquisition of 1,204 shares via the exercise of options and the immediate sale of such shares on November 11 was filed by Ms. Swain on November 21. The late-reported transactions resulted in a net decrease of 1,204 stock options and no net increase or decrease in Ms. Swain's share ownership.
- A Form 3 was filed on February 5, 2014 by Donna Tangorre, an officer of the Bank, to report her becoming subject to the beneficial ownership report filing requirements of Section 16(a) of the Securities Exchange Act on May 21, 2013. No transactions that would be required to be reported occurred between May 21, 2013 and the date of filing of such Form 3.

RISK MANAGEMENT CHECKS AND BALANCES

The Bank's Compensation Committee believes that the design and governance of the Bank's executive compensation policies and practices is consistent with the highest standards of risk management. Such design supports the Bank's risk management goals through an interlocking set of checks and balances.

- Rather than determining incentive compensation awards based on a single metric, the Compensation Committee applies a structured, principled framework that considers a balanced set of financial performance metrics that collectively best indicate successful management.
- In addition to financial metrics, the Compensation Committee applies its informed judgment, taking into account factors such as quality and sustainability of earnings, successful implementation of strategic initiatives, and adherence to risk and compliance policies and other core values of the Bank.
- Use of equity-based awards aligns executive officers' interests with the interests of the Bank's stockholders, and the Bank's policy of encouraging significant stock ownership by executive officers further enhances this alignment.

Together, these features of the Bank's executive compensation policies and practices are intended to:

- Ensure that the Bank's compensation policies and practices do not encourage excessive risk taking;
- Encourage executive officers to manage the Bank in a manner focused on creating long-term, sustainable value for stockholders; and
- Provide appropriate levels of realized rewards over time to facilitate the retention of executive talent and experience.

APPROVAL OF APPOINTMENT OF INDEPENDENT AUDITOR
(Proposal 2)

The Audit Committee has approved, subject to the approval of the Bank’s shareholders, the appointment of S.R. Snodgrass, P.C. as the Bank’s independent auditor, to examine the consolidated financial statements of the Bank for the 2014 fiscal year. S.R. Snodgrass, P.C. served as the Bank’s outside auditor with respect to the Bank’s 2013 fiscal year and has served as the Bank’s outside auditor since 2009. The firm has no significant relationship with the Bank except the existing professional relationship of independent auditor.

No report by S.R. Snodgrass, P.C. on the Bank’s financial statements for either of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified or modified as to uncertainty, audit scope, or accounting principles. During the two most recently completed fiscal years, the Bank had no disagreements with S.R. Snodgrass, P.C. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if they had not been resolved to the satisfaction of S.R. Snodgrass, P.C. would have caused the firm to reference the subject matter of such disagreements in connection with its report.

A representative of S.R. Snodgrass, P.C. is expected to be present at the Annual Meeting to be available to respond to appropriate questions and make a statement, if so desired.

The affirmative vote of a majority of the outstanding shares of common stock voting in person or by proxy at the Annual Meeting is required to ratify the appointment of S.R. Snodgrass, P.C. as the Bank's independent auditor for fiscal year 2014.

The Board of Directors recommends a vote "FOR" the ratification of the appointment of S.R. Snodgrass, P.C. as the Bank's independent auditor for the 2014 fiscal year.

AUDIT AND NON-AUDIT SERVICES PRE-APPROVAL POLICY

Statement of Principles for Audit and Non-Audit Services Pre-Approval

The Audit Committee pre-approves the audit and non-audit services performed by the independent auditor in order to assure that the provision for such services does not impair the auditors' independence. The independent auditor has reviewed this policy and believes that implementation of the policy will not adversely affect the auditor's independence.

Pre-Approval Policy

The Audit Committee reviews the services expected to be provided by the independent auditor to ensure that the provision of such services will not impair the auditor's independence. The Audit Committee will pre-approve fee levels which include each of the following categories: audit, audit-related, and tax compliance/planning services (individual projects less than \$10,000). Tax compliance/planning projects exceeding \$10,000 and all other services not pre-approved in the categories above will require specific pre-approval from the Audit Committee on an individual project basis. Approval for such services may be requested at the next Audit Committee meeting, or if earlier approval is necessary, it may be obtained in accordance with the Audit Committee's delegation to the Audit Committee Chairman as described in the "Delegation" section below.

Delegation

The Audit Committee will not delegate its responsibilities to pre-approve services performed by the independent auditor to Bank management. However, the Audit Committee has delegated pre-approval authority to the Audit Committee chairman for unplanned services that arise during the year. The committee chairman has the authority to review and approve permissible services up to \$10,000 per service provided that the aggregate amount of such services does not exceed the prior year audit fee. The Audit Committee chairman must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.

Services Pre-Approved by the Audit Committee

The following describes the nature of the audit, audit-related, and tax services that have the Audit Committee's pre-approval and describes those services that the Bank's independent auditor cannot perform:

Audit Services

- Financial or statutory audits for the Bank
- Consultations related to accounting, financial reporting, or disclosure matters
- Services associated with periodic reports and other documents filed with federal and state regulators

Audit-Related Services

- Due diligence services and consultation on accounting and financial reporting matters pertaining to potential business acquisitions/dispositions
- Internal control reviews
- Other attest services

Tax Compliance and Planning

- U.S. federal, state, and local tax compliance and planning

Prohibited Non-Audit Services by the Independent Auditor

Federal securities law prohibits the Bank from engaging the independent auditor to perform the following types of services:

- Bookkeeping or other services related to the accounting records or financial statements of the audit client
- Financial information systems design and implementation
- Appraisal or valuation services or fairness opinions
- Actuarial services
- Internal audit outsourcing services
- Management functions or human resources
- Broker or dealer, investment advisor, or investment banking services
- Legal services and expert services unrelated to the audit

Audit Fees and Non-Audit Fees

The following table presents fees for professional audit services rendered by S.R. Snodgrass, P.C. for the audit of the Bank's consolidated financial statements as of and for the years ended December 31, 2013 and December 31, 2012, and fees billed for other services rendered:

Audit fees, including the reviews of our interim consolidated financial statements included in our quarterly reports on Form 10-Q	<u>2013</u>	<u>2012</u>
	\$116,716	\$115,787
Audit-related fees	\$ 0	\$ 0
Tax fees	\$ 22,350	\$ 21,400
Other	\$ 358	\$ 0
Total Fees	\$139,424	\$137,187

Audit fees are fees for professional services rendered for the audit of the Bank's consolidated annual financial statements, review of the consolidated financial statements included in the Bank's quarterly reports on Form 10-Q, and services that would normally be provided by the Bank's auditor in connection with statutory and regulatory filings or engagements for the periods covered.

Audit-related fees include fees for assurance and related services provided by the Bank's external auditor reasonably related to the performance of the audit or review of the Bank's financial statements, but which are not reported as audit fees.

Tax fees are fees for professional services rendered regarding tax compliance, tax advice, or tax planning. More specifically, these include fees billed for tax return preparation, quarterly estimates, tax planning, and tax-related research.

Other fees include fees for professional services rendered regarding strategic planning and the development of the Bank's strategic plan.

One hundred percent of all audit-related fees, tax fees, and other fees described above were approved by the Audit Committee pursuant to its audit and non-audit services pre-approval policy. Of the hours expended on S.R. Snodgrass, P.C.'s engagement to audit the Bank's 2013 financial statements, none are attributable to work performed by persons other than S.R. Snodgrass, P.C.'s full-time, permanent employees.

Audit Committee Review

The Audit Committee considered whether S.R. Snodgrass, P.C.'s provision of the non-audit services summarized in the preceding section is compatible with maintaining S.R. Snodgrass, P.C.'s independence and has concluded that the non-audit services do not affect Snodgrass' independence.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors of the Bank makes this report for the year ended December 31, 2013:

The Audit Committee is responsible for providing the independent, objective oversight of the Bank's accounting functions and internal controls. In 2013, the Audit Committee was composed of five directors, each of whom was an "independent director" as defined by the standards for listing on the NASDAQ Stock Market.

Management is responsible for the Bank's internal controls and financial reporting process. The independent accounting firm S.R. Snodgrass, P.C. is responsible for performing an external audit of the Bank's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee monitors and oversees these processes.

In connection with these responsibilities, the Audit Committee reviewed the audit plans, audit scope, and audit risks with both S.R. Snodgrass, P.C. and the Bank's internal audit function. The Audit Committee met with the Bank's management team and S.R. Snodgrass, P.C. to review and discuss the December 31, 2013 financial statements. The Audit Committee also discussed with S.R. Snodgrass, P.C. the matters required by Statement of Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee also received written disclosures from S. R. Snodgrass P.C. required by applicable requirements of the Public Company Accounting Oversight Board regarding S.R. Snodgrass, P.C.'s communications with the Audit Committee concerning independence, and the Audit Committee discussed with S.R. Snodgrass, P.C. that firm's independence.

Based upon the Audit Committee's discussions with management and S.R. Snodgrass, P.C. and the Audit Committee's review of the representations of management and the independent accountants, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Bank's Annual Report on Form 10-K for the year ended December 31, 2013 to be filed with the Federal Reserve Board.

Submitted by the Audit Committee: Donald G. Quick, Jr. (Chairman), John Brand III, Anthony J. Cooper, Arie van den Blink, and Marianne Young.
